

Cone Crusher

PRECISION MEETS DURABILITY

Our cone crusher stands out as one of our most dependable machines, designed for crushing rocks, coal, slags, glass and similar materials.

Choose from various steel options: chrome/molybdenum for superior durability and wear resistance or mild steel when dealing with contamination concerns. Adjustments to achieve the desired fineness are straightforward and efficient, ensuring seamless operation. We also offer custom cones in diverse materials to cater to particular needs.

STANDARD FEATURES

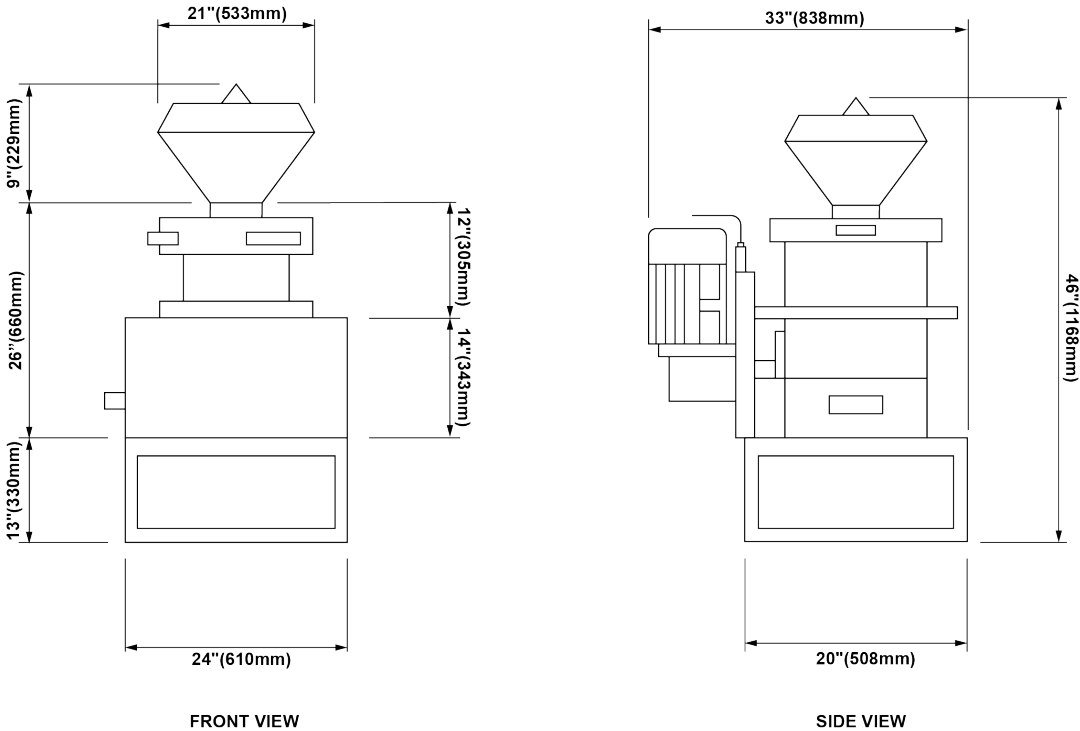

- **Feed & Grinding Specs:** Features an 8" (203mm) feed opening with a grinding scope from 8" (203mm) to 11.5" (292mm).
- **Robust Construction:** Crafted with durable fabricated and cast steel, it effectively crushes feed sizes up to 3/4" (19mm) to a fineness of -10 mesh.
- **Steel Options:** Cones can be tailored in various materials to match specific requirements.
- **Precision Adjustments:** Easily fine-tune for the perfect granularity. The machine's operation remains smooth and efficient.

OPTIONAL ACCESSORIES

- Pre-wired electrical setup.
- Funnel for efficient feed.
- Stand options with one or two storage drawers.
- Pressure cleaning equipment for easy maintenance.

Cone Crusher Technical Specifications

WEIGHT :	831lb (377Kg)
POWER :	3 PHASE / 60 HZ / 5HP MOTOR SINGLE PHASE / AND/OR 50 Hz MOTORS AVAILABLE. PLEASE SPECIFY WHEN ORDERING VOLTAGE OPTIONS: 208, 220, 230, 240, 380, 415, 440, 460, 480, 575, 600
MODELS AVAILABLE :	
MODEL CC #1	CONE AND MANTEL ALLOY-1, FULLY HARDENED TO ROCKWELL 60
MODEL CC #2	CONE AND MANTEL ALLOY-2, FULLY HARDENED TO ROCKWELL 60
MODEL CCMS	CONE AND MANTEL MILD STEEL, CASE HARDENED 1/8" TO ROCKWELL 60
DIMENSIONS : NOTE: ALL DIMENSIONS ARE NOMINAL AND ROUNDED FOR GENERAL REFERENCE	
 <p>The technical drawings show the front and side views of the cone crusher. The front view shows a width of 24" (610mm) and a total height of 53" (1350mm), composed of 13" (330mm) for the base, 26" (660mm) for the main body, and 9" (229mm) for the upper assembly. The upper assembly has a top width of 21" (533mm) and a height of 12" (305mm). The side view shows a total width of 33" (838mm) and a total height of 46" (1168mm), with a base width of 20" (508mm).</p>
